## Impactful Careers. Impactful Program.

National Basketball Retired Players Association members are entitled to the best hearing care available. The Centers for Disease Control and Prevention says:

- Occupational hearing loss is the most common work-related injury in the United States
- Approximately 22 million U.S. workers are exposed to hazardous noise levels at work annually

With the EarQ hearing aid benefit, you have the ability to combat years of noise exposure and return to a natural quality of hearing.

*Get back in the game. Better hearing equals a better lifestyle.*
