CAREER DEVELOPMENT & TRANSITION

The NBRPA has teamed up with NASA, the NBA, Amazon, Athlife, Symplicity, and the NBA G League to give our Legends opportunities after their basketball playing days to transition into other possible careers. These programs give our members lots of potential to dive into their interests and develop their careers.

HEALTH BENEFITS

One of the most valuable programs that we offer at the NBRPA is our Health Screenings that deliver valuable, preventive long-term healthcare check-ups to former professional players across the U.S.

The Health Screening program has impacted hundreds of former players by providing preventative cardiac testing. The NBRPA's involvement will expand this program to include orthopedic screenings and care.

Legends are allowed one screening per 12 months

NBA LICENSING PROGRAM
